

Monday, September 25, 2023- Main Conference		
8:30 - 8:45	Opening Session @ University Room	
8:45 - 9:45	Keynote 1: The Roaming Edge and its Applications by Suman Banerjee (University of Wisconsin) Moderator: Guoliang Xing (Chinese University of Hong Kong) @ University Room	
9:45 - 9:55	Break	
9:55 - 11:05	Session 1A: AI/ML based Smart Design 1 @ University North	Session 1B: Algorithms and Theory 1 @ University South
11:05 - 11:20	Break	
11:20 - 12:30	Session 2A: Security and Privacy 1 @ University North	Session 2B: Systems and Applications 1 @ University South
12:30 - 14:00	Lunch @ Rolltation Sushi Burrito	
14:00 - 15:00	Keynote 2: 5G/FutureG Technology for National Defense Challenges by Benjamin Pimentel (OUSD, D&D) Moderator: J. J. Garcia-Luna-Aceves (University of Toronto) @ University Room	
15:00 - 15:15	Break	
15:15 - 16:45	Session 3A: Security and Privacy 2 @ University North	Session 3B: Protocols and Emerging Technologies 1 @ University South
16:45 - 17:45	Poster & Demo @ Foyer Moderator: Zhichao Cao (Michigan State University)	
18:00 - 20:00	Reception @ Terrace	
Tuesday, September 26, 2023- Main Conference		
8:45 - 9:45	Keynote 3: RFID-based Human Pose Tracking: Design, Generalization, and Data Augmentation by Shiwen Mao (Auburn University) Moderator: Yu Wang (Temple University) @ University Room	
9:45 - 9:55	Break	
9:55 - 11:05	Session 4A: System and Applications 2 @ University North	Session 4B: AI/ML based Smart Design 2 @ University South
11:05 - 11:20	Break	
11:20 - 12:30	Session 5A: Protocols & Emerging Technologies 2 @ University North	Session 5B: Security and Privacy 3 @ University South
12:30 - 14:00	Lunch @ Rolltation Sushi Burrito	
14:00 - 15:15	Panel: IoT - Quo Vadis Panelists: Prithwish Basu (Raytheon BBN), Fan Bai (General Motors), Shiwen Mao (Auburn University), Jian Ren (Michigan State University) Moderator: Falko Dressler (TU Berlin) @ University Room	
15:15 - 15:30	Break	
15:30 - 17:00	Session 6A: AI/ML based Smart Design 3 @ University North	Session 6B: Algorithms and Theory 2 @ University South
18:00 - 20:00	Banquet @ Terrace	
Wednesday, September 27, 2023- Main Conference and Workshops		
	Main Conference	
8:45 - 10:15	Session 7A: Security and Privacy 4 @ University North	Session 7B: Protocols and Emerging Technologies 3 @ University South
10:15 - 10:30	Break	
10:30 - 12:00	Session 8A: System and Applications 3 @ University North	SLICE Workshop @ University South
12:00 - 13:30	Lunch for Workshop @ Rolltation Sushi Burrito	
13:30 - 16:00	UAV IoT Workshop @ University North	WICN Workshop @ University South
